

MORDIALLOC LIFE SAVING CLUB

BOARD STORAGE INCLUDING ACCESS AT CLUB

- Club Access may be provided by applying for MLSC access and agreeing to Terms and Conditions stated on the document.
- Board Storage has a yearly cost of \$50 per piece of equipment. Requests are considered between the months of August – November each year.
- Wishing to store your board without club access incurs a \$50 levy per season per piece of equipment.
- Wishing to store a board with club access is \$50 per piece of equipment plus \$50 for access levy (must also adhere to Terms and Conditions for Club Access)
- There is a maximum number of boards per family membership - 2/Individual membership – 1, that may only be stored. This is determined by MLSC Board of Management at the time of request.
- Boards may only be stored for Youths upwards and those that are competing/training for and at the club on a regular basis.
- Should the need arise that we don't have sufficient places for personal boards, priority will be given to those that request first and have paid their membership in full.
- Any damage to any other equipment must be reported immediately to admin@mlsc.com.au and cost of repairs/replacement will need to be paid for by the member.
- Member must be fully paid by 1 October each year to continue storage access into the following season, otherwise lock will be cut and board put to club boards.
- Members wishing to store boards must also adhere to full patrol hours as rostered.
- Own locks must be provided and placed on your board.
- Your spot will have your name on it.
- The club is not liable for any damage to your board whilst in storage at the club.
